

YOUNES BESSA

23 YEARS OLD

JUNIOR WEB DEVELOPER

ABOUT ME

I'm a 23-year-old Junior full stack Web developer from France. I study web development at Need for School in Rouen. I'm an apprentice at Expat's Facilities and I'm also part of an association called onRuntime Studio. I like to play video games, travel and meet new people.

EXPERIENCE

Web Developer (2 month internship, then apprenticeship)

Expat's Facilities, Rouen | August 2021 - Present

Web Developer (two month internship)

Rouen Informatique, Rouen | April 2021 - June 2021

I designed internal digital tools related to the CRM of the company at the request of the internship supervisor and in compliance with the deadlines.

I analysed the needs and developed all the technical functionalities of these tools. I solved the problems and fixed the bugs detected by the internship supervisor.
