ABOUT ME

I'm a 23-year-old Junior full stack Web developer from France.
I study web development at Need for School in Rouen.
I'm an apprentice at Expat's Facilities and I'm also part of an association called onRuntime Studio.
I particularly like to meet new and diverse people and work with modern frontend tools and frameworks like React.

EXPERIENCE

Web Developer (2 month internship, then apprenticeship)
Expat's Facilities, Rouen | August 2021 - Present
Tech stack : MongoDB, Apollo, Next, GraphQL, Express, Node
Rhythm of the apprenticeship: 1 week at school / 2 weeks at the company

Web Developer (two month internship)
Rouen Informatique, Rouen | April 2021 - June 2021
I designed internal digital tools related to the CRM of the company at the request of the internship supervisor and in compliance with the deadlines.
I analysed the needs and developed all the technical functionalities of these tools.
I solved the problems and fixed the bugs detected by the internship supervisor.
